Sunday, December 7th – Free Will Donation

Tornado Siren Survey Sent To Citizens in October – Tied Response

In August, Danko Emergency Equipment demonstrated a similar tornado siren that would be installed if approved in the middle of Rock Falls in city park. Eighty survey cards were mailed out in the month of October asking citizens for their thoughts on installing a tornado siren in Rock Falls. Out of the eighty sent out, 22 responded – 11 supporting, 11 denying the request to install a tornado siren in town. If you still have your survey cards, City Council urges you to fill out your card and leave it in the utility drop box at the Community Center. For those that still have questions, you are encouraged to attend the **January** City Council meeting. Total cost for installation of the siren, including the post it would be installed on is approximately \$16,000. City Council understands cost is an issue, and is in the process of researching grants that would help pay for the siren. City Council meetings are held the second Monday of every month at 7pm in the Community Center lunch room.

Have an event or special news you'd like to share with everyone in town?

Make sure to email or call Danielle Pace with any fundraisers, celebrations, or events you'd like to include the rest of Rock Falls in on!

Danielle can be reached by email at depace@outlook.com or by phone at (641) 430-4786.
