Large Trash Pick Up A Success

The city council would like to thank the following individuals that volunteered their time to help pick up large items during the large trash pick-up day on May 2nd: Todd Huff, Terry Stanley, Mark Brosz, Larry Dorenkamp, Doug Heimer, and Lincoln Jost. We couldn't have done it without you!

Thank you again!

Rock Falls Fun Days Planning Under Way

The Rock Falls Betterment committee is hard at work preparing for Rock Falls Fun Days 2015, but they need your help! Volunteers are needed for the day of events along with your great ideas! Contact any of the betterment committee to volunteer or to share your ideas!

This year will also host a Kickball Tournament! Teams may register and get more information with Michelle Wyborny

Cerro Gordo County Campgrounds is OPEN!

Due to vandalism during the off-season, opening was delayed, but the campground is now open for business! Registration is available at the campsite entrance.

Waste Management Pick Up Holidays

The following major holidays are not only holidays for the Post Office & most financials, but also WM. This means your garbage pick-up will be delayed by **one business day**.

New Year's Day
Memorial Day
4th of July
Labor Day
Thanksgiving
Christmas Day

The next holiday for Waste Management will be Monday, September 4th. This will make for our Tuesday pick-up on Wednesday. Because the 4th of July falls on a Saturday this year, garbage pick-up will **not** be affected.

Hazardous Waste Pick Up Set for June 3rd

The annual hazardous waste pick up day with the landfill has been set for Wednesday, June 3rd from 3:30-5:30pm in Grafton. Additional information may be found at the Landfill's website.

Garbage Bins Storage

A friendly reminder from the City Council that empty garbage bins should not be left on the side of the road once they have been dumped. To keep bins from blowing around in the wind, and to reduce damage, please pull your bins up to your house or away from the roadside once they have been dumped during the week. Thank you.
