Sunday, October 5th – Free Will Donation

Tornado Siren Survey Sent Out To Citizens

At the City Council meeting in September, the siren testing was discussed that took place in mid-August. Because there were mixed feelings within the council on whether or not to approve the Siren, it was decided to get the city's opinion. If you have not already received your Tornado Siren Survey, please keep on the lookout for it. It's very important we receive as many responses as possible from the citizens of Rock Falls to make an informed decision.

If you have questions regarding the tornado siren and the city's decision to install one in Rock Falls, you are encouraged to attend the October City Council Meeting.

The next meeting will be October 13th at 7pm in the Community Center.
