Support the Betterment Group!

At the time the City of Rock Falls accepted ownership of the Rock Falls school building, a group of citizens rose to the challenge of funding and maintaining the school building for use as a community center. They spend many hours each year raising money to pay the expenses of keeping the school building viable as a community center. The building is used for many community events including wedding receptions, anniversaries, banquets, auctions, youth sports practices, and dances.

The building is also used for City Hall functions serving the city clerk offices, and city council chambers. Greater support of the Community Center fund-raising events is essential for generating operating revenue.

The Rock Falls Area Betterment conducts various fund-raising projects throughout the year, all culminating with the famous Rock Falls Fun Days. One of the recurring events that happens throughout the year is the operation of a concession stand each time an auction is held at the Center. This would be a great time to bring the family to the Community Center for lunch or a snack, even if the auction is of no interest. Also, bring the family to the all-you-can-eat breakfast on the first Sunday morning of every month. Funds raised from these events are used to pay for heating, air conditioning, cleaning, insurance, and many other expenses of operation.
