for the required forms. Each electoral must have at least ten signatures on his/her nomination sheet and both sheets **must be turned in between the dates of August 24th - September 17th to the county Auditor's office.** The Auditor's office is located at the Cerro Gordo County Courthouse.

To All Our Friends in the Rock Falls Area –

The Old Stone United Methodist Church is one of the most historical spots in Rock Falls. Even if you do not attend services, I am sure if you've had visitors and you gave them a tour, you pointed out the church as a significant landmark. The sanctuary is nearly 150 years old. The fellowship hall was built in the late 1940's and is now in need of major repairs.

A new roof must be installed and the north wall outside has damage from leaking. The inside will possibly need some sheet-rock and painting done. So, as you can see, this is going to amount to more money than the congregation to scrape up. We are going to try to obtain some grants; however we will need contributions from the community and are asking for any donations, large or small, from you. If you can help preserve this historical building, please send your monetary donation to the church at 1 West Jackson, Rock Falls. Thank you so much!

Rock Falls Fun Days a Success!!

A huge thank-you to all of the volunteers & to the RFAB committee who worked so hard to put together this year's Rock Falls Fun Days! Posted from the Rock Falls Facebook page:

"We honestly could not have Rock Fall Fun Days without ALL of the volunteers who started planning months ago, setup before, volunteered at Fun Days, especially those of you that helped at more than one place, took down and put away afterward. ... We appreciate all of your time, effort and SWEAT!"

New at the Landfill!

You can now receive text alerts for landfill closings and limited promotional texts regarding events, activities, and programs at the landfill.

The appliance fee has been **reduced to \$5.00** (previously \$13.00) Including washer, dryers, stoves, fridges, humidifiers, freezers, and furnaces.

There is also a new medical sharps disposal program.
